December

2016 @ Galle Face Hotel,
Colombo, Sri Lanka.

Important Dates

Abstract submission deadline November 15th 2016.

Full paper submission deadline December 10th 2016.

Call for Papers

ICFRS 2016 is a forum for presentations and discussion of recent on-going researches and innovations in the field of food science, with leaders from academia and industry worldwide. Time for building important business connections while enjoying relaxed conference breaks, lunch and dinner. This would be a great platform for academics, researchers, industry professionals, scientists and those who interested in this topic to share knowledge and their achievements. Abstract submissions are now open for both oral and poster presentation of all the scholar around worldwide.

Conference Tracks

- ▶ Food insecurity; causes, consequences harvest losses and remedies
- ▶ Food Safety and Quality challenges
- ▶ Reducing food loss and waste
- ▶ Biodiversity and Food production
- ▶ Food safety Biotechnology and food production
- ▶ Food cultures and social values
